The Current Riordanverse Landscape: What We Know So Far

Before we get to the juicy "what's next" part, it's important to establish where we stand in the current Riordanverse. As of my last update, several key series have concluded their main arcs, leaving fans eager for new adventures. * **Percy

Jackson & The Olympians:** The original series concluded with *The Last Olympian*. However, the story has continued through the *Heroes of Olympus* series, which blended Greek and Roman mythology, and more recently, *The Trials of Apollo*, which brought the gods themselves into the spotlight. The *Percy Jackson and the Olympians* series has also seen a resurgence in popularity thanks to the Disney+ adaptation, which has only amplified the desire for new content. * **The Kane Chronicles:** This series, focusing on Egyptian mythology, concluded with *The Serpent's Shadow*. However, Riordan has hinted at potential future connections and collaborations within the broader Riordanverse, keeping the door open for more. * **Magnus Chase and the Gods of Asgard:** This Norse mythology-inspired series wrapped up with *The Ship of the Dead*. Like the *Kane Chronicles*, its conclusion didn't necessarily mean the end of Riordan's exploration of these characters or their world. * **The Trials of Apollo:** This series, following the Olympian god Apollo as he navigates the mortal world, reached its grand finale with *The Tower of Nero*. This marked a significant closing point for a major arc that directly followed *Heroes of Olympus*. Given these established timelines, it's natural for fans to wonder about a brand new series or a continuation of beloved characters' stories.

These are often too vague for concrete conclusions but fuel speculation. 2. **Teasers and Cover Reveals:** As a project solidifies, official teasers, concept art, and eventually, the book

cover will be revealed. This is usually accompanied by a title and a release date.

3. ****Official Announcements:**** Through his website, social media, and publisher press releases, Riordan will formally announce new series or standalone novels. Rick Riordan has indeed been writing new books, and some have already been released, while others are eagerly anticipated.

The Latest Addition to the Riordanverse: 'Percy Jackson and the Chalice of the Gods'

The most significant recent news for many *Percy Jackson* fans was the announcement and subsequent release of *****Percy Jackson and the Chalice of the Gods*****. This book, published in September 2023, marked a triumphant return to the original characters we know and love. Set after the events of *The Heroes of Olympus* and *The Trials of Apollo*, this novel sees Percy, Annabeth, and Grover embarking on a new quest to help the gods. Why is this so exciting? Because it's not a spin-off or a prequel; it's a direct continuation of Percy's story as a young adult. For fans who grew up with Percy, this book offered a chance to revisit him at a slightly older age, dealing with new challenges that are still rooted in his demigod life. The demand for this book was astronomical, reflecting the enduring popularity of the series. It's a testament to Riordan's ability to craft characters that readers feel a deep personal connection with, making them eager to see what happens next in their lives. This release also hints at a potential for more stories featuring these beloved characters, perhaps even a new series exploring their college years or their lives as young adults navigating a world where gods still meddle. The possibilities are as endless as the Greek pantheon itself.

Beyond Percy: What Else is Rick Riordan

Working On?

While 'Percy Jackson and the Chalice of the Gods' is the most prominent recent release, Rick Riordan is a prolific author. He doesn't just stick to one franchise. His creative energy often spills into other projects and collaborations. * **The Sun and the Star: A Nico di Angelo Adventure:** This novel, released in May 2023, is a standalone adventure that dives deeper into the story of Nico di Angelo and Will Solace. It explores their relationship and their journey into the Underworld. This book was a highly anticipated event for fans of Nico, who have followed his journey from a brooding, ostracized demigod to a central figure with a strong support system. * **Collaborations and Spin-offs:** Riordan is known for collaborating with other talented authors, expanding the reach of his universes and exploring new mythological landscapes. Annabeth, Nico, Will, and other fan-favorite characters' stories. The open-ended nature of their lives as demigods provides ample opportunities for new quests and challenges. * **Exploration of Other Mythologies:** Riordan has a broad interest in world mythologies. The "Percy Jackson and the Olympians: The

Chalice of the Gods" - A Major New Entry

The release of *The Chalice of the Gods* is perhaps the most significant answer to the question of "is Rick Riordan writing a new book?" This novel marks the return of Percy Jackson as the central protagonist, a character who has been absent from the titular role in his own series for quite some time. Following the conclusion of the original *Percy Jackson & The Olympians* saga and the subsequent series focusing on other demigods, fans have been clamoring for more of Percy's adventures. *The Chalice of the Gods* fulfills this desire, placing Percy back in his familiar territory at Camp Half-Blood and facing new challenges. Beyond direct sequels to existing series, Riordan is also known for expanding his universe through spin-off novels and interconnected stories. The *Heroes of Olympus* series, for instance, seamlessly blended characters and plotlines from the original *Percy Jackson* books with new demigods and prophecies. Similarly, the *Magnus Chase and the Gods of Asgard* series, while focusing on Norse mythology, subtly hinted at connections to other Riordanverse pantheons, leaving the door open for future crossovers. The success of these interconnected narratives suggests that even if a direct sequel to a specific series isn't immediately announced, Riordan might be working on a new project that enriches the broader Riordanverse, introducing new characters or exploring different mythological traditions.
