This geographical scope was significant, allowing for a broad and diverse range of voices to be recognized. The prize quickly garnered prestige, attracting considerable media attention and elevating the profiles of its winners.

The Booker Group Era (1969-2001)

During its initial decades, the prize became synonymous with literary excellence. Early winners like P.H. Newby for *Something to Answer For* (1969) and V.S. Naipaul for *In a Free State* (1971) set a high standard. The prize was instrumental in launching the careers of many, and its winners were often celebrated for their distinctive prose, complex characters, and insightful social commentary. The Man Group Sponsorship (2002-2019)

The Art of Selection: Criteria and Judging

The Booker Prize is awarded to the best novel written in English and published in the United Kingdom or Ireland during the preceding year. While the core criterion is the quality of the novel, the judging process is inherently subjective and multifaceted. A panel of judges, typically comprising distinguished critics, academics, authors, and public figures, is appointed each year. They are tasked with reading hundreds of submissions and meticulously deliberating to arrive at a shortlist and ultimately, a winner.

What the Judges Look For

While explicit criteria are not rigidly defined, the judges are generally looking for:
