Key Elements of a Great Slogan:

1. **Keep it Short:** Aim for a few words that are easy to remember and repeat.

4. **Be Actionable:** Encourage a specific behavior.
5. **Be Relevant:** Tailor it to your audience and purpose.
6. **Be Positive:** Focus on the benefits and solutions rather than just problems.

Brainstorming Tips:

Start by identifying your core message. What specific action do you want to encourage? Who is your target audience? Then, let your creativity flow. Think about:
