Driving and Parking: Planning is Key

If you choose to drive to Sydney Olympic Park, planning your parking well in advance is essential, especially for major events.

Booking Parking in Advance

For popular events, it is highly recommended to book your parking online in advance through the Sydney Olympic Park website or the relevant ticketing platform. This guarantees you a spot and often offers a slightly better rate than paying on the day.

Parking Fees

Parking fees can vary significantly depending on the event and the car park. Expect to pay anywhere from \$25 to \$50 or more for a standard parking spot during a major event. Pre-booking can sometimes offer discounts.

Navigating Traffic

Major events will inevitably lead to increased traffic around Sydney Olympic Park. Allow ample extra travel time if you're driving. Consider using real-time traffic apps like Google Maps or Waze to monitor conditions and identify potential delays.

Alternatives to On-site Parking

If parking within the park is fully booked or you prefer to avoid the immediate vicinity of the venues, consider parking at a nearby train station with ample parking (e.g., Strathfield, Lidcombe, Rhodes) and completing your journey via train or bus.

Taxis and Rideshare Services

Taxis and rideshare services like Uber are readily available for your trip to Sydney Olympic Park. There are designated pick-up and drop-off zones within the park, typically located near major venues.

Benefits of Taxis/Rideshare

1. **Convenience:** Door-to-door service.
2. **Flexibility:** Can be booked on demand.

However, during major events, surge pricing can apply to rideshare services, and you may experience delays due to increased demand and traffic congestion around the drop-off/pick-up points.

For the active visitor, cycling to Sydney Olympic Park is a fantastic option. The park has a well-developed network of cycle paths, and there are plenty of bike racks available.

Cycle Paths and Connectivity

3. Stay Updated with Transport Information

Keep an eye on the Transport NSW website, social media feeds, and event-specific communications for any last-minute changes to services or traffic advisories.
