Mary Lou On The Road Are you a digital nomad, a traveling entrepreneur, or a weekend warrior hitting the open road? The allure of adventure and freedom is undeniable, but the reality can sometimes be overwhelming. Road trips, whether short or long, can be stressful. Long hours of driving, navigating unfamiliar territories, and dealing with logistical challenges can leave you feeling exhausted, disconnected, and longing for a break. **The Problem: Road Trip Burnout - Symptoms and Solutions** We've all been there - the constant fatigue, the mounting stress, the feeling of being perpetually on the go, disconnected from ourselves and loved ones. This phenomenon, often referred to as "road trip burnout," impacts both physical and mental well-being. Utilize features on your devices that allow for notifications to be put on hold.
