The preparation work you do before the first congregant arrives is crucial for a seamless service.

Arriving and Team Huddle

stocked with bulletins, visitor cards, and any other relevant materials.

Make sure it looks inviting and organized. * **Sanctuary Readiness:**

Do a quick visual check of the sanctuary. Are there any obvious issues like trash, misplaced items, or areas needing attention?

Greeting Arrivals

When applied correctly, security settings help maintain the integrity of Usher Greeter Handbook Aloha Church Of God while still allowing legitimate use.

Password protection is commonly used to limit access to sensitive documents. Setting strong, unique passwords reduces the risk of unauthorized viewing. However, passwords should be managed carefully to avoid locking out intended
