Questions & Answers About top 10 fictions of 2014

No	Question	Answer
1	What were the absolute must-read fiction books of 2014 that everyone was talking about?	2014 saw a diverse range of critically acclaimed and popular fiction. Standouts often included 'All the Light We Cannot See' by Anthony Doerr, 'The Goldfinch' by Donna Tartt (though published in late 2013, it dominated 2014 lists), and 'Station Eleven' by Emily St. John Mandel, which garnered significant attention for its post-apocalyptic themes. 'The Paying Guests' by Sarah Waters also received strong reviews for its historical suspense.

2	Which fictional characters from 2014 books left the biggest impression on readers?	Several characters resonated deeply in 2014. Marie-Laure and Werner from 'All the Light We Cannot See' became incredibly beloved for their resilience and intertwined destinies. Kirsten Raymonde from 'Station Eleven' captured imaginations with her survivalist spirit and artistic drive. Those who read 'The Goldfinch' found themselves deeply invested in Theo Decker's complex journey. Even characters in less universally praised books often sparked passionate discussions.
3	Were there any particular genres that dominated the fiction scene in 2014?	Literary fiction with strong narrative and character development was very prominent. Historical fiction, particularly stories set during or around WWII, saw a resurgence in popularity, as evidenced by 'All the Light We Cannot See'. Dystopian and post-apocalyptic fiction also remained a significant trend, with 'Station Eleven' being a prime example of how this genre could be explored with depth and nuance.
4	Besides the big award winners, what were some hidden gem fiction recommendations from 2014?	Beyond the widely celebrated titles, 2014 offered excellent 'hidden gems'. Books like 'The Storied Life of A.J. Fikry' by Gabrielle Zevin provided a charming and heartfelt narrative about books and community. 'Dept. of Speculation' by Jenny Offill, though a novella, was praised for its innovative structure and insightful observations on marriage and motherhood. Exploring smaller presses or debut authors from that year can uncover many overlooked treasures.

5	How did the rise of e-books and online reviews influence the 'top 10' fiction lists of 2014?
