Start by considering the genre and subject matter. Whether you enjoy fiction, non-fiction, self-improvement, academic material, or technical guides, narrowing down your interests will make it easier to find a suitable book.

Reading book descriptions, summaries, and sample chapters can provide valuable insight into the content and writing style.

Dust your bookshelves regularly and gently clean book covers with a soft, dry cloth. For valuable or collectible editions, consider using protective covers or storing them in archival-quality boxes.
